

Year 3 Information - September 2023

PE

PE during the Autumn Term will be on Monday & Wednesday. Monday will be football and Wednesday will be Judo. Please ensure that children are wearing their correct School Tracksuit, House Team T-shirt & Trainers.

READING BOOKS

Children will be bringing their reading books home each evening and they should be returned to school each day. It is our expectation that you listen to your child read at least 3 times a week. Please complete reading diaries so we can update our records. Don't forget if you read 4 or more times a week you can get a stamp on your Starbooks loyalty card. If you get six stamps on your card by the end of each half term, you can get a golden coin and go to the STARBOOKS CAFE and the BOOK VENDING MACHINE

SPELLINGS

Spellings will be sent home each week via SEESAW, please support your child as they learn their spellings ready for a spelling test the following week.

CLASS ASSEMBLY

Our first class assembly will be on **Thursday 28th September at 2:30pm**. We hope you can join us!

SEESAW

Children have a new QR code for Seesaw, please ensure you are using the new code for year 3. On Seesaw we regularly post photographs to enable you to have an insight into what happens in our class. Children can also post proud selfies if they are particularly proud of a piece of work they have completed. Also weekly spelling lists will be posted on here.

Thank you for your continued support and I know we are going to have a wonderful year.

Mrs Taylor & Mrs Phillips
