A Message from the Head

Dear Parents/Carers,

We have finally made it to the end of term! The children have had a wonderful few weeks performing their Nativities, Church Service, visiting the Panto, Christmas Breakfast with Santa, Cosy Christmas Afternoon, Christingle Service, Christmas Party etc. We hope they have enjoyed the experiences we have been able to offer in school.

I would like to express my sincere thanks to our amazing staff for all their hard work, dedication and commitment to the school, our children and families.

Myself, the staff and Governors would like to wish you all a very Merry Christmas and a wonderful New year. Enjoy making lots of lovely memories with your family and as always thank you all for your support during this term. We are very excited to welcome you all back in 2023 and hearing all about your experiences!

On a slightly different note, we appreciate times are tough for everyone at the moment and would like to offer you as much support as possible. While the school is open, there is further information on the newsletter about how we can help you in school. However, while we are closed for Christmas there are multiple agencies that can help with food vouchers and give advice:

Halton Citizens Advice - 0151 257 2443

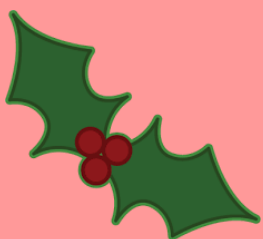

Wellbeing Enterprises CIC - 01928 589799

Health and medical practices (GP surgeries)

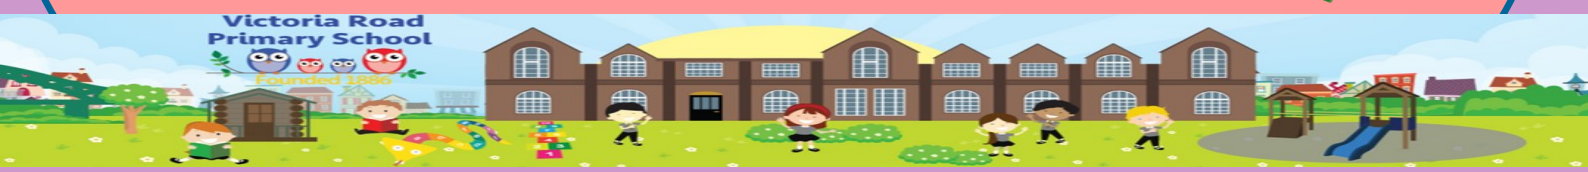

If you need further information about accessing a Foodbank voucher, telephone 01928 577679

We hope you have a very Merry Christmas

Love,
Mrs Roberts

Presents from Radio City

We had an amazing turn out this year for presents from the Radio City Cash for Kids scheme helping families in our school have one less worry this Christmas! We are so pleased with the amount we were able to get to help out. Big thank you to Mr Murphy in the office for applying for the presents and doing multiple trips to collect them all!

Services During the Holidays

We understand the cost of living is making this time of year very hard so we would like to do our part to help all our families in school.

- We have food bank vouchers available to those who need them.
- There is a washing machine and a dryer in school if any families need clothes washing desperately.
- There is free uniform that has been donated in clean and good condition.

**MERRY
CHRISTMAS**
And Happy New Year

'CARE' - Care, Achieve, Respect & Enjoy.
