Christmas Time

We are very excited to start celebrating Christmas here in school now it is the 1st of December! Our KS1 and EYFS classes have been working tirelessly practicing their nativity to show to the parents. As well as this, we will be putting Christmas decorations up in school today just like our EYFS class who have done an amazing job!

Christmas Jumper Day

Remember, next
Thursday 7th
December is
Christmas Jumper Day
and we would like
children to come to
school with their
Christmas jumper on
over their uniform!

Parking

Please DO NOT park outside school on the single yellow lines. We put barriers out to deter parents from parking. Outside school is a no parking zone between the hours of 8am and 6pm. You are causing a hazard to other road users and more importantly our children.

Pantomime

Payments are now live for the pantomime for the whole school. Years 1-6 can pay on School Gateway and EYFS are asked to bring cash into class. All tickets are £6 and payment closes on the 15th December!

PANTO TIME!

School Meals

Can you please make sure you order your child's meal via your school hub. It is essential to order meals and by not ordering you are creating problems with the allocation of school meals.

If you do not order a meal then your child will be sent to the back of the line and will select alternative options that your child may not like. The meal priority will be the meals that have been ordered as their first choice.

If you need to discuss this further please contact the school office.

An illustration at the bottom of the page shows several hands of different skin tones holding up various school meal trays. The trays contain different food items like sandwiches, fruits, and vegetables. On either side of the hands are two dark blue squares, each featuring the 'Orian SOLUTIONS' logo with a yellow star above the 'i' in 'Orian'.

Mission Christmas

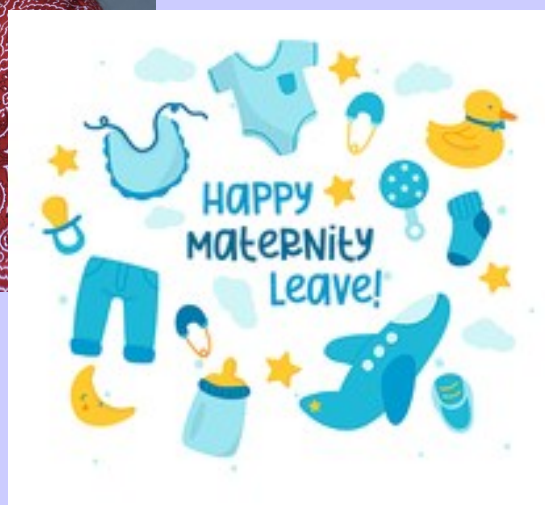

"So many are at risk of waking up without presents to open because Christmas is a luxury their families can't afford. It'll be just like any other day. But Mission Christmas is here to make a difference."

Mr Murphy has once again secured us a large number of gifts for the children in school this Christmas. We would like to make sure these presents go to the families who do need the help. If you are struggling this year and would like some extra help with Christmas gifts for your children, please call the school office and let us know.

Miss Roberts

We will be saying goodbye to Miss Roberts next Friday as she starts her maternity leave! We wish her all the best on her new adventure and we can't wait to update you all when her new addition arrives! We have appointed Mr Colecliffe to take over Pine class whilst Miss Roberts is off. He has met the children and will be completing transition days with Miss Roberts before she goes off!

Employee of the Week

Our employee of the week this week is Mr Murphy! He has gone above and beyond for the school setting up our new school meals service and applying for Christmas presents for children in school. We appreciate everything he does for us!
